ABOUT AAPB

The Association for Applied Psychophysiology and Biofeedback (AAPB) was founded in 1969 as the Biofeedback Research Society. The goals of the association are to promote a new understanding of biofeedback and advance the methods used in this practice. AAPB is a non-profit organization as defined in Section 501(c)(6) of the Internal Revenue Service Code. AAPB exists to advance the development, dissemination and utilization of knowledge about applied psychophysiology and biofeedback to improve health and the quality of life through research, education and practice. Membership in AAPB is open to professionals interested in the investigation and application of applied psychophysiology and biofeedback, and in the scientific and professional advancement of the field. AAPB members represent the fields of psychology, medicine, nursing, social work, counseling, physical therapy, education and other health care areas. Biofeedback has become an accepted form of treatment not only within the medical community, but with consumers as well. Today, through the efforts of the AAPB staff, board members, committees, and many health care professionals, alternative medicine almost equals traditional medicine in total revenues.

Exhibit Area Attendance/Badge Control
Exhibit area attendance is restricted to qualified exhibitors and those covered under the AAPB Registration procedures. Exhibitor representatives must be in the space rented on the exhibit floor and are not admitted for the purpose of viewing other exhibits, except by invitation of other exhibitors. Badges are to be worn at all times. Anyone in the working area of a booth who is not wearing an identifying badge may be asked for identification by security personnel. The Meeting Manager must approve any additions or changes in booth personnel made during the Meeting.

Exhibitor badges may be made out only in the name of the company shown on the application for exhibit space. False certification of individuals as exhibitors’ representatives, misuse of exhibitors’ badges, or any other method or device used to assist unauthorized personnel to gain admission to the exhibit floor will be cause for expelling the violator from the exhibit area, banning further entrance to the exhibit floor, or removing the exhibit from the floor without obligation on the part of AAPB whatsoever.

Guest Badges
Every effort will be made to assure that only properly identified and authorized registrants enter the exhibit areas. To this end, guest badges will be available by request for each company at Exhibitor Registration. Guest badges will allow admittance to the exhibits only. Replacement badges will not be available. Guest badges are not to be used by exhibit booth sales personnel. Misuse of the exhibitor guest badge system may result in the expulsion of the exhibitor and the guest from the exhibit hall and is considered a violation of the AAPB Rules and Regulations.

Presentations
All activities of each exhibitor, its employees and/or agents during the AAPB Annual Meeting, which are directed toward AAPB meeting registrants, must be confined to the exhibitor’s booth space. The exhibitor is responsible for any and all fees that may be due for the use of copyrighted music used in audio presentations. No exhibits, displays or advertising material of any nature will be allowed in hotel rooms unless approved in writing by the Meeting Manager.

Subleasing/Sharing
Subleasing of exhibit space is strictly prohibited, nor may two companies share the same leased space including companies who purchase multiple booths. Each exhibiting company is required to complete an application in order to exhibit. Squatters are strictly prohibited in the AAPB Exhibit Hall. AAPB reserves the right to dismiss a company who has not paid for exhibit space.

Press Conferences
Press conferences by exhibitors on the exhibit floor during exhibit hours are prohibited. All news conferences must be coordinated with the AAPB staff.

Entertainment or Social Functions
No entertainment or social functions may be scheduled to conflict with the official AAPB program, scientific or technical exhibit hours. Requests for use of function space at the facility must be made in writing to AAPB. Upon receipt of a request for function space, AAPB will notify you if space is available and if any space rental fees are required. It is the responsibility of the exhibitor to finalize arrangements with the hotel. For additional information please contact the Meeting Manager.

Photography
Picture-taking, other than by the official photographer, is prohibited during setup, dismantling and non-exhibit hours. Cameras will not be allowed on the exhibit floor during these times. Each exhibitor has control over the space he/she has rented and has the right to refuse those considered its
competitors from gaining access to, photographing, videotaping or otherwise mechanically recording his/her exhibit or presentations.

Care of Exhibit Space
The exhibit and booth area must be maintained and kept in clean and good order in accordance with these Rules and Regulations and all other applicable rules and ordinances.

Dismantling/Removal of Exhibits
Each exhibitor will complete arrangements for removal of material from the Exhibit Area in accordance with these rules and the instructions provided in the Exhibitor Service Kit. No packing or dismantling of exhibits will be allowed until the official closing of the exhibit hall at 1:00pm on Saturday, April 4, 2020. All exhibit material must be packed and ready for shipment by 4:00pm. All space occupied by an exhibitor must be surrendered in the same condition as at the commencement of occupation.

Eligibility for Exhibiting
AAPB reserves the exclusive and total right to determine the acceptability of applications for exhibit space. Applications must meet all of the following criteria.

- The products or services to be exhibited are of professional or educational interest or benefit to the registrants and are directly related to the field of applied psychophysiology and biofeedback in the opinion of AAPB.
- The applicant is reasonably determined by AAPB to be highly ethical and reputable, and the goods and services to be exhibited are reasonably believed by AAPB not to be harmful, ineffective, fraudulent, based on non-proven science, or illegal.
- The applicant agrees to comply with AAPB’s Rules and Regulations governing Exhibits.
- The application, fees and any required documents are received prior to the established deadline.
- AAPB reserves the right to refuse a booth to any applicant.

Terms
Full fees are to be remitted with the application. No applications will be accepted or processed without receipt of the full fee.

No refunds will be granted to an exhibitor after November 12, 2020. If the meeting/exhibit should be cancelled due to circumstances beyond the control of AAPB or the hotel, all payments connected with the booth rental will be refunded.

Security
Each exhibitor is responsible for safeguarding its goods, materials, equipment and exhibit at all times. The facility will be locked during non-exhibiting hours, but neither the facility nor AAPB will be responsible for loss of or damage to any property.

Liability and Insurance
The exhibitor, upon contracting to exhibit, agrees to protect, indemnify, defend and hold harmless AAPB and its officers, directors, employees, committee members and agents, and the and its officers, directors, employees and agents from any and all claims, losses, damages, injury or expenses arising out of or caused by exhibitors’ installation, removal, maintenance, occupancy or the use of the exhibition premises or a part thereof or other activities or functions of the exhibitors. The exhibitor acknowledges that it is responsible for obtaining insurance coverage in such amounts, as it deems appropriate to comply with its obligations herein and for its own protection. AAPB will not be responsible for delays, damage, loss or other unfavorable conditions caused by circumstances beyond its control. Under government order or emergency, or other fair reasons beyond its control, AAPB reserves the right to cancel the show with no further liability to the exhibitor than full refund of space rental payments made. AAPB reserves the right to change the location of the exhibition in the event a strike, fire, or Act of God should render unusable the hall in which the exhibition has been scheduled or any other meeting facility.

Interpretation and Enforcement
These regulations become a part of the contract between the exhibitor and AAPB. AAPB has full power of interpretation and enforcement of these rules and its decision is final. All matters in question not covered by these rules are subject to the decision of AAPB and all decisions so made shall be binding on all parties. Those who fail to observe these conditions in this contract or, in the opinion of AAPB, conduct themselves unethically, may be dismissed from the exhibition without refund or other appeal.
