

ASSOCIATION FOR APPLIED PSYCHOPHYSIOLOGY & BIOFEEDBACK

International Chapter Membership Guidelines

To qualify for recognition as an AAPB International Chapter:

1. A 'Request to be Recognized as an AAPB International Chapter' form shall be submitted to the AAPB headquarters office.
2. There shall be a minimum of five (5) chapter members, one of whom shall hold full AAPB membership in good standing and at least four members at the Corresponding Member level.
3. Additional qualifications include:
 - a. An agreement to abide by the AAPB objectives as follows:

The objectives of the Association shall be to improve human welfare through the:

- Encouragement and improvement of 1) scientific research, 2) clinical and 3) educational applications in biofeedback and applied psychophysiology.
- Integration of applied psychophysiology and biofeedback with other self-regulatory methods.
- Improvement of clinical uses of applied psychophysiology, biofeedback and other self-regulatory methods through high standards of professional practice, peer review, ethics, and education.
- Increased knowledge about applied psychophysiology and biofeedback to the membership via meetings, educational programs, publications and special interest sections.
- Promotion of chapters.
- Dissemination of information to the public about the benefits of applied psychophysiology and biofeedback.

AAPB is organized for the purpose of carrying on educational and scientific objectives and is not to be operated as a for-profit entity.

- b. To provide AAPB an annual (each December) listing with complete contact information including email addresses of all chapter members including those who do and/or do not hold membership in AAPB.
 - c. Allow AAPB to contact those chapter members who do not hold membership in AAPB to invite them to join, to attend AAPB events, and to provide other information except those who officially opt out of receipt of such correspondence.
4. Status as an AAPB international chapter will remain in force until or unless a request is made in writing to discontinue or until the chapter no longer meets the qualifications listed above including the requirements related to the number of chapter members holding AAPB membership.
